CHIPEWYAN PRAIRIE FIRST NATION

BOARDING HOME STUDENT INTAKE PROCEDURE

Preamble

The primary purpose for transferring students to Fort McMurray or other regions within Alberta is to attend high school. While attending high school, some students experience difficulties and, in some situations, lead to early student withdrawal and relocation back to their home communities. The students then attend the community high school; however, their tuition dollars do not come with them.

To assess student readiness for the challenges presented in relocation, attending high school, succeeding in school, and remaining focused, the following criteria has been established:

Review Panel

The review panel will consist of;

- One representative from the sending school
- One representative from the Athabasca Tribal Council
- Two representative from the Chipewyan Prairie First Nation

Purpose

To determine preparedness for the challenging expectations of a high school program, the panel will review the following:

- Grade 8 and 9 report marks
- Grade 9 attendance
- Previous attitude and behaviors
- Additional information deemed sufficient to make an informed decision.

To facilitate the smooth transfer, relocation, and resignation process, the panel will convene no later than June 15th of each year to select students relocating to outside high school.
